Knit each stitch from the main body of the scarf together with a loop from the edge of the remaining end piece, binding off loosely as you go. (similar to the 3-needle bind off method)

#### Finishing:

Sew in all loose ends. Soak scarf in Eucalan or preferred handwash soap as directed. Block rigorously. Preferred blocking method is to find or construct an adequately sized wooden frame, place the damp scarf within it, and whip-stitch each edge independently to the frame with a strong but thin yarn, stretching the scarf to desired dimensions.
